For Renewal Expired Valid

The diagram illustrates the lifecycle of documents in a digital system. It is divided into three vertical panels. The first panel, labeled 'For Renewal', shows a tall, disorganized stack of physical papers against a white brick wall. The second panel, labeled 'Expired', features a purple-to-orange gradient background with a white document icon labeled 'PDF' and a red clock face, indicating that the document's validity has lapsed. The third panel, labeled 'Valid', has a dark blue background with a glowing blue document icon that has a large 'V' on it, surrounded by a network of lines and nodes, representing a secure and active digital document.
